## The Hunt for Skinks is on again!

Its that time again... Time to wade up Glenfern Stream in search for one of the rarest creatures in the world. In the past we have been honoured to host esteemed skink hunters such as **Helema Jamieson** and **Ben Barr** with astonishing results.

This year **Jordi Janssen** and partner **Nadia Nijhof** have taken on the challenge. We will keep you updated with results as the come to hand, but for now things look promising. Here are a few photos from only the first day's exploration. 4 skinks and counting!

All photos courtesy of Jordi Janssen except bottom image courtesy of Ben Barr.
