

Barrier Air delivers Freight to Claris airport and the Sealink barge delivers to Tryphina wharf

Please note freight costs may vary. Sometimes it works out cheaper to just shop local or bring the bulk of your supplies with you.

It pays to call the airline first to check pricings etc:

Barrier air charge \$1.50 per kilo for food boxes

- Do your normal shop on the countdown online site.
- Delivery address: 1 Andrew McKee Avenue, Auckland Airport, Auckland 2022
- Complete shopping order.
- Pick a time slot that best lines up with a flight leaving Auckland that same day in order for your food to be as fresh as possible.

Eg: Countdown delivery 10am-12:30pm

That day there is a Barrier air flight to Claris departing at 2pm

During summer months there are plenty of flights going each day so they should stick food boxes on the next available flight. It pays not to purchase frozen as they are not guaranteed to still be frozen when they arrive. Please note in winter months flights occasionally get cancelled due to weather.

- Proceed to checkout
 - Review order: Make sure you have provided a contact Ph number
- Under '**personal shopper instructions**' put:
Please Deliver to
GREAT BARRIER AIR to be sent to CLARIS AIRPORT

- The cost of freight will be charged when you pick up your groceries from Claris Airport.
- Contact the airline beforehand if you have any other questions
